We have added the Part 5 references, revised the intro language of the resolution actions, and the reporting per our discussion with HDOA. These revisions are consistent with the information provided during last week's staff meeting.

Please see the updated agreement which includes the changes based on last week's conversation with Delanie. Please let me know if you have any comments. I would like to get this back to Delanie no later than this Thursday if possible. Not much has changed since our last team discussion.

Thanks!
